

Abandoned and Unclaimed Property

Services Overview

Take a Proactive Approach to Mitigate Unclaimed Property Risk

With state enforcement of unclaimed property on the rise, it is critical that businesses implement a compliance process that can help them navigate complex state regulations and potential audit risks. Ryan's Abandoned and Unclaimed Property practice provides comprehensive compliance and consulting services to ensure you become compliant, stay compliant, and mitigate risks and potential costly assessments. The right unclaimed property compliance strategy saves money, improves customer and vendor relations, mitigates financial and reputational risk, and ultimately creates efficiencies for your internal resources.

Protect Your Bottom Line

Ryan's Abandoned and Unclaimed Property practice has the solutions and tools you need to help you safeguard your cash flow and mitigate audit costs that can range up to 50% of the total unclaimed property assessment. The money you save by mitigating a costly audit, as well as penalties and interest, can be significant. Our compliance and reporting services are a cost-saving investment that reduces liability and reputational risk for your company.

Our team of professionals, with more than 300 years of collective unclaimed property experience, works with you to identify and quantify compliance gaps and potential exposure, obtain outstanding accounting transactions, prepare due diligence letters, identify potential exclusions, and prepare and file reports. We can also prepare checks payable to the reporting jurisdictions.
